

BRINGING COMMUNITIES TOGETHER

The Student Safety National Alliance (SSNA), a non-profit organization dedicated to improving student safety at schools nationwide, strives to be the preeminent organization advocating for primary and secondary school safety across the country. Through partnerships between educators, state and federal agencies, researchers, lawmakers, community organizations, and industry, SSNA creates, fosters, and promotes best practices, research, and advocacy in support of student safety in the United States.

**focused
efforts

NATIONAL ALLIANCE**

SSNA MEMBERSHIP BENEFITS

- **Campus Counts K12:** SSNA Members will qualify for a 10% discount on Campus Counts K12, the nation's most innovative and leading Student Safety Management System.
- **Data Exchange:** SSNA Members will be part of an exclusive network of schools that will be able to exchange data about high risk teachers and high risk students moving from one school district to another. Members will further have an exclusive access to a student safety data bank.
- **Best Practices:** SSNA will provide its members with best practices and recommendations on implementation of important trends including Community Involvement, CARE teams and Positive Discipline Approaches.
- **Training & Certification:** SSNA will provide its members with training and certification on subjects of interest (Bullying, Sexual Assaults, Mental Health, CARE Teams, Safety & Security and ADR, among others). Training will be provided by national authorities and experts in these fields.
- **Career Placement:** SSNA will provide its members with a Career Placement Marketplace where employers post jobs and employees post resumes and apply for job openings.
- **Conference and Workshops:** SSNA members will receive a special member rates to attend workshops and an annual conference on Student Safety
- **News & Information:** SSNA members will have access to the latest news and information through SSNA newsletter, online feed and restricted web portal. Members will receive additional benefits including advocacy, legal & risk management, help with federal and state funding & grants, among other benefits. As a non-profit organization focused on student safety, SSNA provides valuable services, delivers smart insight and brings communities together.
